

PRIVACY AGREEMENT

The Parry Sound Golf and Country Club is committed to full and complete protection of the privacy of members.

As a member of The Parry Sound Golf and Country Club it is important that you provide the Club with current contact information (home address and telephone number). This will only be used to receive information and communication from the Club.

The Club produces a members' book to facilitate contact and communication among members. Members may choose whether they wish to be included in or excluded from this book. If you have not already signed the waiver on the Membership Application, and wish to be included in the roster, please sign and return this form.
(Couples/partners must both sign in order to have both names in the members' book)

I wish my/our home phone number(s) to be included in the Club Roster. This signature indicates that my number may be printed in the membership roster until the Club is notified otherwise by either party.
